The East Windsor Farmers Market is located conveniently in our busy commercial and local traffic corridor, Route 140, and is sponsored by the East Windsor Agricultural Commission in partnership with local businesses. The Market intends to offer the freshest locally grown seasonal produce, locally produced foods and products by Connecticut artisans. Many of our interested artisans source ingredients from local farmers to create their finished products. Local farmers' markets in Connecticut typically offer vegetables, fruits, eggs, honey, cheese, maple syrup, baked goods, soaps, candles, fresh cut flowers, plants and many other specialties.

We have been accepted to participate in SNAP/EBT benefits program offered by CT. Dept of Social Services, the Senior Farmers Market Nutrition Program (FMNP) offered by the CT. Dept. of Ag. and will accept WIC Fresh Fruit and Vegetable checks offered by the CT Dept. of Public Health WIC Program insuring our citizens can be offered the best in locally grown nutritional foods.
